**WISH YOU HAD A HORSE OR PONY TO CALL YOUR OWN  
BUT CAN'T AFFORD TO BUY ONE?**

**THEN WHY NOT CONSIDER SHARING ONE OF OURS?**

We offer a range of horses/ponies on our share scheme.

Asti Equestrian retains ownership of the horse/pony and continues to care for the horse/pony and pay for its costs and use the horse/pony in the Riding School.

The sharer may ride the horse/pony whenever it is not being used by the Riding School, using the yard facilities (e.g. outdoor schools, jump paddock, small paddocks as available).

We suggest that due to the volume of lessons at Weekends, you take the opportunity to ride before 10.00am or after 4.00pm as between these hours the horse/ponies are generally being used. You are however, after 10.00am welcome to check availability of your particular horse/pony during prime times.

This scheme is intended for those of you thinking of privately loaning or purchasing your own horse/pony.

We encourage you to groom, muck out if necessary, clean your tack and generally learn more about the day to day care and commitment required when having your own horse/pony. This is not a scheme for those who just want to ride.

Each share period is for 3 calendar months. Cost is £375 per 3 months, payable in advance.
